The screenshot shows a web browser window titled "Skyward Family Access - Windows Internet Explorer". The page header includes the student name "Nate C. Letcher" and the school "Bessie Truman Elem". There are buttons for "Account Info", "Print", and "Logout". A navigation bar contains tabs for "Health", "Conditions", "Disabilities", "Tests", "Office Visit", "Injuries", "Medications", "Physical", and "Vaccinations". The "Health" tab is selected. A yellow callout box points to the "Medications" tab with the text "Select which tab you want to view for Medications." A larger yellow callout box titled "Health Information" contains the following text:

Health Information

Click here to access **Health Information**.

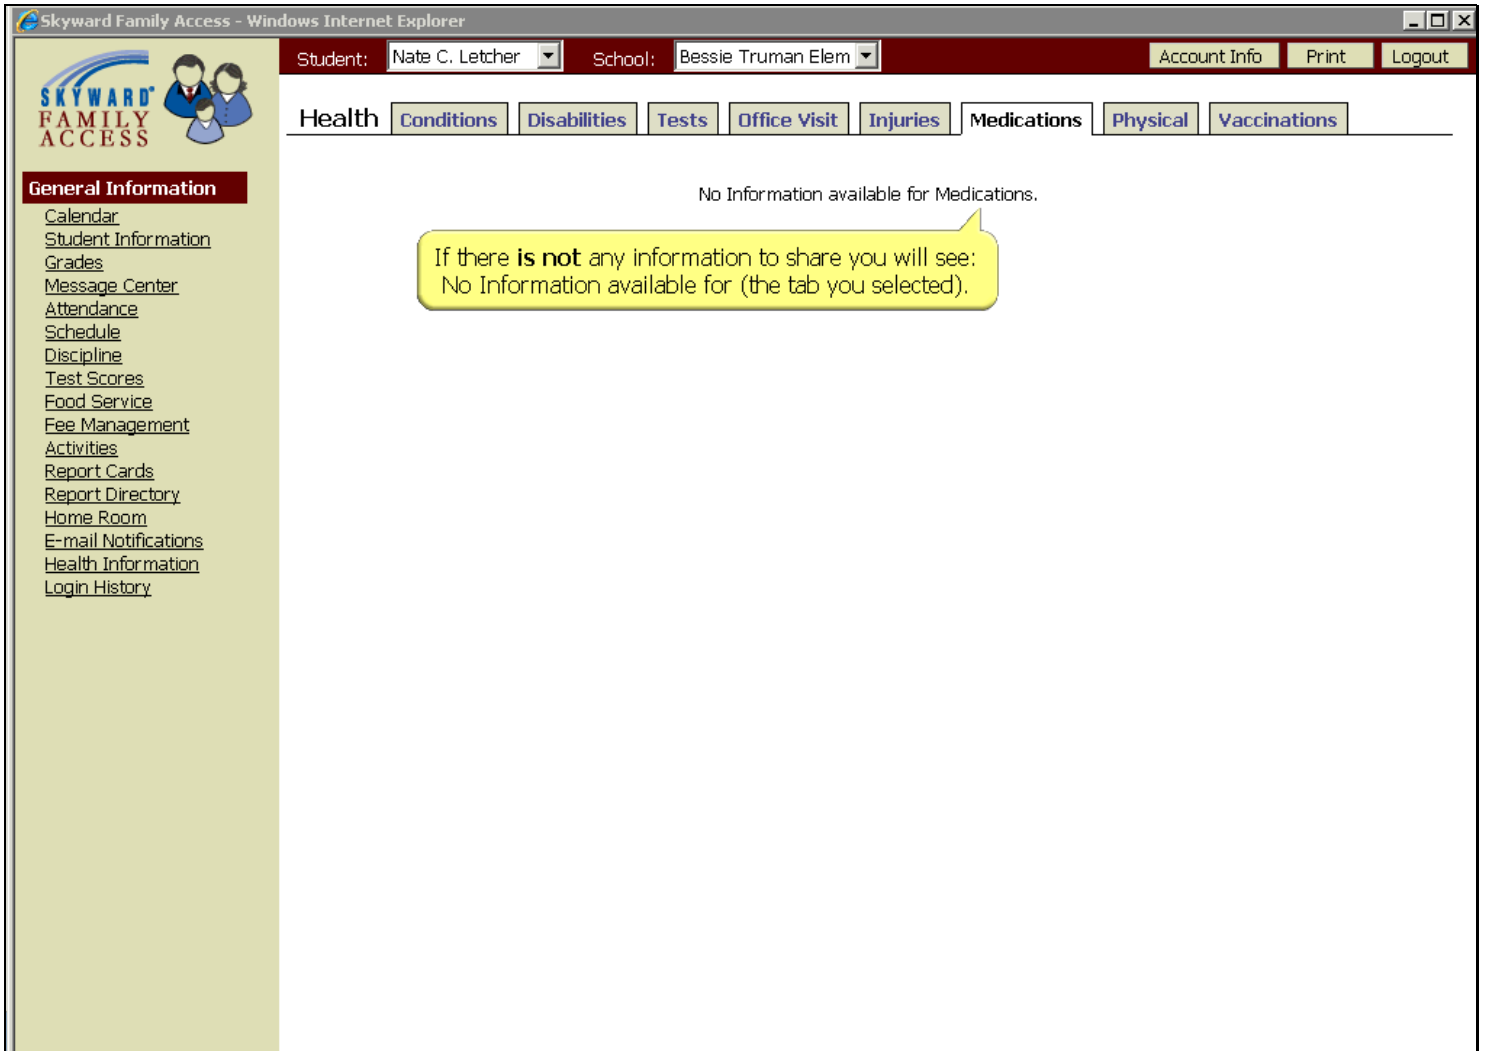

What can a family see on the Health Information tab?
The guardian or student will see the students vaccination record and any health condition or testing that the school chooses to display.

Why would a school post Health Information?
This can be used to share what is on the student's health record with the parent.
This allows the parent to verify if the information is correct.

Who can see the Health Information tab?
Any guardian or student who has access can view their Health Information tab.

The left sidebar contains a "General Information" menu with links to: Calendar, Student Information, Grades, Message Center, Attendance, Schedule, Discipline, Test Scores, Food Service, Fee Management, Activities, Report Cards, Report Directory, Home Room, E-mail Notifications, Health Information, and Login History.
