

Slide 1 - Slide 1

The screenshot shows a Windows Internet Explorer browser window titled "Skyward Family Access". The address bar contains the URL "http://broker2:81/scripts/cgiip.exe/WService=11404web/fwemnu01.w". The browser's search bar contains the word "Google". The page content features the "Skyward Family and Student Access" logo, which includes the word "SKYWARD" in a stylized blue font, "FAMILY and STUDENT ACCESS" in red, and an icon of a family. Below the logo is the text "Skyward School District". A yellow rectangular box contains the following text:

Student Information

Go to **Family Access, Student Information.**

What can a family see on the Student Information tab?
The guardian or student can view the student demographic information such as phone number, address, emergency contacts and alert information.

Who can see the Student Information tab?
Any guardian or student who has access to this student can view the student information tab.

Version: 03.07.02.02.00

The browser's status bar at the bottom shows "Local intranet" and a zoom level of "100%".
