Per Texas Education Code 44.031, school districts are required to solicit competitive bids for purchases made within a defined threshold. Rockwall ISD solicits for day to day purchases on an annual basis. The responses formulate a vendor list that is utilized by the staff throughout the fiscal year.

Annually, the district will notify vendors who have expressed an interest in doing business with RISD. Based on receipt of this vendor application, notification will be made when the district solicits for bids. At that time, it is the responsibility of the vendor to respond accordingly in order to do business with Rockwall ISD. Vendors are not required to resubmit each year.

Forms may be completed on-line or manually and submitted to the Purchasing Department by fax, mail or email.

Thank you for your interest and support to Rockwall ISD.
