

Our Kindergarten Day

Mrs. Catchpole's Class
2020 - 2021

Time	Activity	We are learning...
7:45-8:00	Arrival Announcements Morning Tubs	After unpacking, students will start their day exploring and creating with their individual morning bins.
8:00 – 9:15	Literacy Workstations Guided Reading WIN (Intervention/Enrichment)	Mrs. Catchpole will provide reading instruction at each student's individual ability in small groups. Students not meeting with Mrs. Catchpole will practice literacy skill workstations.
9:15 – 9:30	Reader's Workshop	We will focus on a specific reading standard or strategy each day, then students will be given the opportunity to apply those strategies during independent reading.
9:30-9:45	Recess	Time for outside fun with friends!
9:45-10:30	Writer's Workshop Grammar Talks	We will have a whole group writing mini-lesson, followed by an opportunity for students to write independently. We will also study and apply grammar skills using mentor texts.
10:30-10:40	Independent Reading	Students will have the opportunity to practice their reading strategies during independent reading.
10:40-11:10	Lunch	Students will eat lunch in the cafeteria.
11:10-11:35	Word Study Shared Reading	During word study, we study how words work by learning phonics & spelling principles as well as high frequency words. We will apply these principles during shared reading.
11:35-12:25	Science Social Studies	We will study science concepts by investigating the world around us with hands on activities. In Social Studies, we will learn the foundations of history and geography through literacy integration and classroom discussion.
12:25-1:10	Specials (Teacher Conference)	Students will attend PE, music and art on a rotating schedule.
1:10-1:40	Number Talks Problem Solving Math Mini Lesson Afternoon Snack	We will begin our math time by analyzing thought provoking images or problem situations in which students solve by making mental connections. Students will also be introduced to new math strategies or skills.
1:40-2:45	Guided Math Math Workstations WIN (Intervention/Enrichment)	Students will be given an opportunity to practice math skills during math stations. During this time, Mrs. Catchpole will be working in small groups to support students at their individual ability.
2:45-3:00	Pack Up/Dismissal	Clean the room and pack up for dismissal.
