

Our Kindergarten Day

Mrs. Mezz's Class
2021 - 2022

Time	Activity	We are learning...
7:30-8:00	Arrival Announcements Morning Tubs	After unpacking, students will start their day exploring and creating with their individual morning bins.
8:00 – 9:15	Reader's Workshop (Interactive Read Aloud & Independent Reading)	We will focus on a specific reading standard or strategy each day, then students will be given the opportunity to apply those strategies during independent reading.
9:15 – 9:45	Literacy Workstations Guided Reading WIN (Intervention/Enrichment)	Mrs. Mezz will provide reading instruction at each student's individual ability in small groups. Students not meeting with Mrs. Mezz will practice literacy skill workstations.
9:45-10:05	Word Study Shared Reading	During word study, we study how words work by learning phonics & spelling principles as well as high frequency words. We will apply these principles during shared reading.
10:05-10:25	Number Talks Problem Solving	We will begin our math time by analyzing thought provoking images or problem situations in which students solve by making mental connections.
10:25-10:40	Recess Grammar Talks	Time for outside fun with friends!
10:40-11:05	Math Mini Lesson	Students will also be introduced to new math strategies or skills.
11:05-11:35	Lunch	Students will eat lunch in the cafeteria.
11:35-12:30	Continue Guided Math Math Stations Math Closure/ Discussion	Students will be given an opportunity to practice math skills during math stations. During this time, Mrs. Mezz will be working in small groups to support students at their individual ability.
12:30- 1:15	Specials (Teacher Conference)	Students will attend PE, music and art on a rotating schedule.
1:15-2:00	Grammar Talks Snack Time Writer's Workshop	We will study and apply grammar skills using mentor texts. We will have a whole group writing mini-lesson, followed by an opportunity for students to write independently.
2:00-2:50	Science Social Studies	We will study science concepts by investigating the world around us with hands on activities. In Social Studies, we will learn the foundations of history and geography through literacy integration and classroom discussion.
2:50-3:00	SEL lesson Packing up	To close the day students will engage in a social emotional learning activity. Clean the room and pack up for dismissal.
