Any redo of daily work and/or quizzes will be determined at the instructional discretion of the teacher's PLC.

Late Work

If turned in the next time the class meets, the work may only be eligible to receive 85% of the original assigned points. If turned in the second time the class meets after the original due date, the work may only be eligible to receive 70% of the original assigned points. Each student is responsible for turning in all late assignments prior to the end of the current grading period.

Students who are absent will be permitted to make up regular coursework and receive the actual grade earned. Students are given the number of days absent to make up all work assigned in their absence.
