Dear Parents and Jacket Babe Hopeful,

The Jacket Babes organization is one of a kind. If you desire friendships, success, self-discipline, and lasting memories, I want to encourage you to tryout to become a Jacket Babe. It is not only hard work but a great lasting experience you will never forget.

This is a new endeavor for both you and your daughter. I feel it is extremely important to share with you some basic information and about the tryout process for the RHS Jacket Babes. As a part of the team, you will perform at football and basketball games, competitions, spring show and other special events. In addition to these performances, the team will also participate in fundraising and community service projects throughout the year.

The 2021 tryouts for becoming a member of the RHS JV drill team will be a learning experience for your daughter. I will take the girls through every step of the tryout process in order to prepare them to be judged by a certified panel of judges. Please remember that all judge's scores will be final.

We will be holding a mandatory informational meeting via zoom for the parent(s) and girls that will be trying out for Jacket Babes. The meeting will be on March 1 at 7pm. This will be an extremely important time for you to learn more about the responsibilities of being on the team. The zoom link will be sent out through remind 101 the morning of March 1st. To join the remind 101 group text 81010 and in the message type @jbhope1
