

## Skyward – Student Profile Screen

The screenshot shows the Skyward Student Profile screen. A red arrow points to the 'Student' tab in the top navigation bar. Another red arrow points to the 'DOB' field in the 'Customize' section, which contains the date 05/14/2004 (13). A third red arrow points to the 'State ID' field in the 'Customize' section. A fourth red arrow points to the 'STAAR Student Access Code' field in the 'General Information' section, which is highlighted in yellow.

Rockwall ISD parents can access their student's STAAR Student Access Code through their Family Access in Skyward. Anyone can access a student's test history if they know the child's PEIMS ID and date of birth. Navigate to [www.texasassessment.com](http://www.texasassessment.com) and choose **Log In to Student Portal**.

The screenshot shows the login form on the Texas Assessment Management System website. The form is titled 'Enter access code and student date of birth:'. It contains an 'Access Code' input field, a 'Month' dropdown menu, a 'Day' dropdown menu, and a 'Year' dropdown menu. A blue 'Go' button is located to the right of the input fields. Below the form, there are two links: 'Where's my access code?' and 'Lookup Access Code'.

Enter Access Code and Date of Birth then Go.

If you don't have the Access Code, click on **Lookup Access Code**. Another page will appear. Enter the child's legal first name, PEIMS ID and data of birth, then Go.
