A. Graduation lasts approximately 2 hours.

For seniors who are eligible to graduate and are assigned to a DAEP through the last day of school:

The placement in the program will continue through graduation, and the student will not be allowed to participate in the graduation ceremony and/or related graduation activities.

Parents,

I wanted to send to you a quick reminder that all incoming college freshman will need to get a meningococcal vaccination before starting college in August. I also wanted to share with you that health clinics and doctor offices have a difficult time keeping enough vaccinations on hand, and may run out in the month of August. So if your child is planning on attending college and needs the vaccination, it would be wise to get a head start on their vaccination!
