DOING BUSINESS WITH ROCKWALL ISD

School districts in the state of Texas are governed by the Texas Education Code (TEC 44.031). As a result, the district publishes a Request for Proposals (RFP) as a tool to build a list of available vendors for our staff to utilize when meeting the needs of our district.

What is a Discount Bid?

A discount bid asks for bids from various categories of vendors for materials, supplies, equipment and services. In responding to the bid, vendors place themselves in a particular category or categories and gives a discount and terms they are willing to grant to the District for items in those categories.

Example: Sod would fall under General Facility/Maintenance/Trade Services (grounds) and the vendor might say they would supply sod to the district, upon request, with a 5% discount below retail pricing.

Do I have to provide a discount in order to be considered responsive?

No. While we appreciate discounts as provided by vendors, a zero discount response is a response.

What do I do in order to be listed on the list of available vendors for Rockwall ISD?

The District must receive a completed packet indicating the category of goods/services available from the vendor. Since this is a bid for various categories, some forms may not apply. We ask that vendors complete the packet to the best of their ability and notify the District, as instructed, if there are any questions.

How will I know if I have been awarded and placed on the list of available vendors?

The vendor list is posted on the Purchasing page of the RISD website. It will reflect the names of vendors who have submitted a completed packet and it will indicate the category of goods/services available, as well as the discount that was extended.

If I don't respond, will RISD still purchase from my company?

TEC 44.031 states that all school districts must meet competitive bid requirements. There are several methods by which purchases may be made and the district reserves the right to utilize various methods. However, for the purpose of many of the standard operating materials, supplies, equipment and services, Rockwall ISD utilizes the request for proposal method for categories by which we forecast an annual aggregate expenditure level of \$50,000.00 or more. While \$50,000.00 is the threshold that requires a competitive process and there are some categories that do not reach that limit, the number of categories is increasing as the district grows so vendors take a chance limiting business with the district by not responding to these such requests. Should the vendor be available via a purchasing cooperative that RISD participates in, the district may utilize that contract.

IMPORTANT INFORMATION FOR VENDORS

If you are a current vendor with Rockwall ISD (i.e. responded to RFP 1819.07-001), you must complete this solicitation to remain a vendor effective July 1, 2021.

This solicitation (2122.07-001) replaces 1819.07-001.

Responses to this bid will begin the process of producing a list of available vendors effective July 1, 2021. Responses received after July 1, will be reviewed on an incremental basis.

After July 1, respondents are responsible for verifying their vendor status via the vendor list as posted on the Purchasing page of the RISD website.

As an approved vendor, it is the vendor's responsibility to contact the Purchasing office with vendor updates or changes.

An authorized and properly drawn purchase order is the district's standard way of doing business. If the vendor does not accept purchase orders, information should be provided through the documents provided herein as to what payment methods are accepted.

It is the vendor's responsibility to accept orders only through the means stated here. If the vendor does not accept purchase orders, our staff will work through our office to secure approval internally. Verbal orders from district personnel should never be accepted to initiate an order.

The district should only receive invoices for orders that have been properly approved. Fulfilling an order without proper approval could result in untimely payment.

If the vendor is contacted for a quote, it is beneficial for the quote to state the contract being used. For vendors submitting a response to this solicitation, RISD Vendor or RFP 2122.07-001 will suffice. For vendors who hold a purchasing cooperative contract, you may provide the quote and utilize this solicitation number or provide the cooperative name and contract number, as applicable.

STANDARD TERMS AND CONDITIONS

1. The following instructions by the Rockwall Independent School District are intended to afford potential respondents an equal opportunity to participate in the solicitation process.
2. A response to this solicitation is an offer to contract with Rockwall ISD and its members based on the specifications and standard terms and conditions contained in the bid document. Bids do not become contracts unless and until they are both accepted by RISD through notification by the District to the bidder and/or put into effect by the issuance of a purchase order signed by an authorized representative of the RISD Purchasing Department.
3. To allow for competition as the District utilizes funding to make day-to-day purchases, it is the intent of the District to award to multiple vendors as determined to be the best value to Rockwall Independent School District. After the initial term start date of July 1, 2021 – award will be made to additional/multiple vendors on an incremental basis until the district elects to re-bid. Vendors are encouraged to submit responses as soon as possible. As proposal responses are received, they will be opened, evaluated and either accepted or reject by the District, based on the criteria outlined within the request for proposal.
4. The terms *respondent*, *contractor*, *proposer*, *vendor*, and/or *bidder* refer to the person/firm that submits the offer to this solicitation document. The terms *RISD*, *owner*, *district*, and/or *government entity* refer to Rockwall Independent School District.
5. Any explanation desired or questions by a vendor regarding the meaning or interpretation of these instructions or any other documents included in this solicitation must be requested in writing to RISD, Director of Purchasing, 1050 Williams Street, Rockwall, TX 75087 (jana.hunter@rockwallisd.org).

8. Any resulting agreements will auto-renew each year. A vendor's response to this solicitation would imply doing so under the same discounts, terms and conditions. It is the vendor's responsibility to make the District aware of any changes throughout the term of the agreement (including but not limited to discounts, company information, etc.).
9. The district guarantees no minimum dollar amount in purchase orders against this contract.

10. Unless otherwise stated in the specifications, all supplies and components to be provided shall be new (not used or reconditioned, and not of such age or so deteriorated as to impair their usefulness or safety), of current production, and of the most suitable grade for the purpose intended. If at any time during the term of an awarded agreement the vendor believes the furnishings of supplies or components which are not new is necessary or desirable, it shall notify the District immediately, in writing, including the reasons and proposing any consideration which will flow to the District if authorization to use such supplies or components is granted.
11. RISD reserves the right to negotiate price/delivery for service(s)/products(s) identified by this request. The District reserves the right to reject any and all bids that comply with the specifications or to accept a higher bid that complies, when, in judgment of the District, such proposal offers additional value or function, which justifies the difference in price.
12. RISD expressly reserves the right to:
 - a. Reject or cancel any or all proposals for reasons, not limited to: responses received after the published due date, unbalanced value of any items, improper or insufficient guarantee (if required)
 - b. Consider a response irregular if it shows any omissions, alterations of form, additions, or conditions not called for; failure to return all forms and copies; or irregularities of any kind.

 - b. Reasonable grounds for believing that any respondent is interested in more than one solicitation for the work contemplated

 - e. Lack of competency as revealed by pertinent facts, including but not necessarily limited to, experience and equipment, financial statement and questionnaires

14. The solicitation process seeks to find the best overall solution to Rockwall ISD. While it is the intent of the school district to obtain the best quality products and/or services at the lowest prices possible, cost is not the only factor in making the determination of best value. Award shall be made to qualified respondents whose response is most advantageous to Rockwall ISD. In determining to whom to award a contract and per the Texas Education Code 44.031 (b), the district considers (at a minimum) the following criteria

District employees shall not be permitted to purchase supplies or equipment for personal use through the District's business office. **Completing work or providing product without an authorized purchase order may result in non-payment by the district and/or termination of awarded contract.**
17. Performance of service/delivery of goods shall be made to the location identified on each purchase order or resulting contract. Acceptance by the District of any delivery shall not relieve the vendor of any guarantee or warranty, express or implied, nor shall it be considered an acceptance of material not in accordance with the specifications and shall not waive the District's right to request replacement of defective material.
18. The District is exempt from payment for any Texas Sales Tax or Federal Excise Tax allowed by law.
19. If deemed necessary, inspections will be made by authorized District personnel on a routine basis. Any deficiencies in the work performance disclosed during such inspections must be corrected following receipt of notification by the Vendor. Continued failure to take such corrective actions

20. The District reserves the right to cancel part or this entire contract at any time during the term without cause. Notification will be submitted in writing no less than thirty (30) days prior to the effective date. Upon receipt of such notice from the District, vendor shall not thereafter incur, and RISD shall have no liability for, any costs under this solicitation that are not necessary for actual performance of the request between the date of the notice of termination for convenience and the effective date of that termination for convenience. In the event of a termination for convenience hereunder, RISD shall have no liability to vendor for lost or anticipated profit resulting there from.
21. RISD shall have the right to terminate for default all or any part of this contract if vendor breaches any of the terms hereof or if the vendor becomes insolvent or files any petition in bankruptcy. Such right of termination is in addition to and not in lieu of any other remedies which RISD may have in law or equity, specifically including, but not limited to, the right to collect for damages or demand specific performance. RISD may terminate the contract and debar the vendor for future "bidding" for violations of the federal requirements including, but not limited to, "Contract Work Hours and Safety Standards Act", "Equal Employment Opportunity Act", and "Energy Policy and Conservation Act".
22. Vendor shall be considered in default, and such default shall be grounds for the District to terminate any resulting award for this solicitation and/or pursue any and all relief, at law or in equity, to which it may be entitled by reason of such default, in the presence of a failure to perform any of its obligations under any resulting agreement and fails to correct such non-performance within ten (10) calendar days of written notice from the District to do so. In case of default of the vendor, RISD reserves the right to terminate the purchase order. In case of default of three (3) purchase orders, the district reserves the right to terminate the contract and suspend future business with the vendor.
23. If the successful respondent fails to deliver or defaults on this contract within the time specified in the contract, the respondent shall pay (or have withheld from payments due), at the option of RISD, to RISD as liquidated damages a fee up to 25% of the Purchase Order.
24. No right or interest in this contract shall be assigned or any obligation delegated by respondent without the written permission of RISD. Such consent shall not relieve the assignor of liability in the event of default by its assignee.
25. Discussions/negotiations may be conducted with vendors who are deemed to be within the competitive range. If discussions/negotiations are conducted, respondents may be required to submit a best and final offer.
26. The District reserves the right to utilize other District contracts, contracts awarded by other governmental agencies, other school boards, or cooperative agreements in lieu of any offer received or

award made as a result of this proposal, if it is in its best interest to do so.

27. Please note that a “gift to a public servant” is a Class A misdemeanor offense if the recipient is a government employee who exercise some influences in the purchasing process of the governmental body. This would certainly apply to anyone who helps establish specifications or is involved in product selection or directs a purchase.
28. The District may, by written notice to the vendor, cancel this solicitation without liability to the vendor if it is determined by the District that gratuities, in the form of entertainment, compensation, gifts, or otherwise were offered or given by the vendor, or any agent or representative of the vendor, to any Board of Trustee member, officer, or employee of the Rockwall Independent School District with an intent to secure favorable treatment with respect to the award or amending, or the making of any determinations with respect to the performing of such an agreement.
29. Any board member who has any substantial interest, either direct or indirect, in any business entity seeking to contract with the District, shall, before any vote or decision on any matter involving the business entity, file an affidavit stating the nature and extent of interest and shall abstain from any participation in the matter. This is not required if the vote or decision will not have any special effect on the entity other than its effect on the public. However, if a majority of the governing body are also required to file, and do file similar affidavits, then the member is not required to abstain from further participation. Substantial interest includes:
 - The person owns 10% or more of the voting stock or shares of the business entity or owns either 10% or more or \$15,000 or more of the fair market value of the business entity

30. Purchases of service or equipment from a business owned in whole or in part by a Rockwall ISD employee shall be permitted only when approved by the Director of Purchasing and when determination has been made that such equipment or service is not an extension of the employee’s regular job responsibility at the District. Failure on part of Proposer to disclose ownership by the District employee may be grounds for disqualification.
31. Neither the vendor nor the district shall be responsible or deemed to be in default of its obligation to the other to the extent any failure to perform or delay in performing its obligation under any resulting agreement is caused by events or conditions beyond the reasonable control of that

party, and are not due to the negligence or willful misconduct of such party (hereinafter, "Force Majeure events"). For purposes of this document, Force Majeure events shall include, but not be limited to, acts of God or public enemy, war, riot or civil commotion, strikes, epidemic, fire, earthquake, tornado, hurricane, flood, explosion or other catastrophes, or events or conditions due to governmental law, regulations, ordinances, order of a court of competent jurisdiction, executive decree or order. The District shall not be responsible for payment for any product or service delayed or foreclosed by any Force Majeure event unless and until such delayed or foreclosed product or service is provided.

- 32. Whenever the Vendor encounters any difficulty which is delaying or threatens to delay timely performance (including actual or potential labor disputes), the Vendor shall immediately give notice in writing to the District, including all relevant information. Such notice shall not in any way constitute a basis for an extension of the delivery or performance schedule or be construed as a waiver by the District of any right or remedies to which it is entitled by law or pursuant to provisions herein. Failure to give such notice, however, may be grounds for denial of any request for an extension of the delivery or performance schedule because of such delay.

23. The warranty conditions for all supplies and/or equipment shall be considered manufacturer's minimum warranty unless otherwise agreed to in writing.
24. The proposer declares that in the event of the award of a contract to the undersigned to this offer will comply with the Immigration Reform & Control Act of 1986.

25. The successful respondent, at his/her own expense, shall provide and maintain insurance with fiscally sound firms (at least an AM Best rating of A-) authorized to do business in Texas.
26. Successful respondent may be required to provide a copy of insurance coverage to RISD. Insurance certificates may contain a provision, or respondent's signature on this bid/proposal certifies, that coverage afforded under the policies will not be cancelled until at least thirty (30) days prior written notice has been given RISD. Insurance must remain in effect for the duration of this contract. In some cases, the district may be required to be named as an additional insured on the vendor's insurance coverage. If the district is to be named as an additional insured on the vendor's insurance coverage, the certificate indicating this should be provided within ten (10) calendar days from date of award. If the district requires a certificate of insurance, the bid/proposal number and title should be noted in the "Description of Operations/Locations/Vehicles/Special Items" block of the certificate and the "Certificate Holder" block of the certificate should read, "RISD, Attn: Director of Purchasing, 1050 Williams Street, Rockwall, TX 75087." Additional insurance requirements may be required for construction and/or services projects and will be identified elsewhere in this document.
27. Workers' Compensation: Successful respondent must maintain workers' compensation coverage for employees as required by all applicable Federal, State, Maritime, and local laws including Employer's Liability.

EMPLOYER'S LIABILITY	
Each Accident	\$1,000,000
Disease – Each Employee	\$1,000,000
Disease – Policy Limit	\$1,000,000

28. The insurance requirements, as listed also apply to any sub-contractor(s) in the event that any work is sublet. The contractor is responsible in making sure the sub-contractor(s) meets the minimum insurance requirement limits as by law.
29. Should any policy be canceled before the expiration date, the issuing company will mail thirty (30) days written notice to the certificate holder, RISD.
30. The contractor shall agree to waive all right of subrogation against the District, its officials, employees and volunteers for losses from work performed by contractor for the District.
31. The contractor shall hold the District harmless from and indemnify it against all liability, including attorney's fees, which may arise from and accrue directly from the performance of the work or any obligation of Contractor or failure of Contractor to perform any work or obligation provided for in this Agreement.

32. A copy of a certificate of insurance, a certificate of authority to self-insure issued by the commission, or a coverage agreement (TWCC-81, TWCC-82, TWCC-83, or TWCC-84), showing statutory workers' compensation insurance coverage for the person's or entity's employees providing services on a project is required for the duration of the project. Duration of the project includes the time from the beginning of the work on the project until the project has been completed and accepted by the district.
33. Persons providing services on the project ("subcontractor" in Texas Labor Code 406.096) include all persons or entities performing all or part of the services the contractor has undertaken to perform on the project, regardless of whether that person contracted directly with the contractor and regardless of whether that person has employees. This includes, without limitation, independent contractors, subcontractors, leasing companies, motor carriers, owner-operators, employees of any such entity, or employees of any entity that furnishes persons to provide services on the project.
34. Services include, without limitation, providing, hauling, or delivering equipment or materials, or providing labor, transportation, or other service related to a project. Services do not include activities unrelated to the project, such as food/beverage vendors, office supply deliveries, and delivery of portable toilets.
35. The contractor shall provide coverage, based on proper reporting of classification codes and payroll amounts and filing of any coverage agreements, which meets the statutory requirements of Texas Labor Code 401.011 (44) for all employees of the contractor providing services on the project for the duration of the project.
36. If the coverage period shown on the contractor's current certificate of coverage ends during the duration of the project, the contractor must, prior to the end of the coverage period, file a new certificate of coverage with the district showing that coverage has been extended.
37. The contractor shall obtain from each person providing services on a project, and provide to the district:
 - (a) A certificate of coverage, prior to that person beginning work on the project, so the governmental entity will have on file certificates of coverage showing coverage for all persons providing services on the project and;
 - (b) No later than seven days after receipt by the contractor, a new certificate of coverage showing extension of coverage, if the coverage period shown on the current certificate of coverage ends during the duration of the project.
38. The contractor shall retain all required certificates of coverage for the duration of the project and for one year thereafter.
39. The contractor shall notify the district in writing by certified mail or personal delivery, within ten days after the contractor knew or should have known, of any change that materially affects the

provision of coverage of any person providing services on the project.

40. The contractor shall post on each project site a notice, in the text, form, and manner prescribed by the Texas Workers' Compensation Commission, informing all persons providing services on the project that they are required to be covered, and stating how a person may verify coverage and report lack of coverage.
41. The contractor shall contractually require each person with whom it contracts to provide services on a project to:
 - (a) Provide coverage, based on proper reporting of classification codes and payroll amounts and filing of any coverage agreements, which meets the statutory requirements of Texas Labor Code 401.011 (44) for all of its employees providing services on the project for the duration of the project;
 - (b) Provide to the contractor, prior to that person beginning work on the project, a certificate of coverage showing that coverage is being provided for all employees of the person providing services on the project for the duration of the project;
 - (c) Provide the contractor, prior to the end of the coverage period, a new certificate of coverage showing extension of coverage, if the coverage period shown on the current certificate of coverage ends during the duration of the project.
 - (d) Obtain from each other person with whom it contracts, and provide to the contractor:
 - (1) A certificate of coverage, prior to the other person beginning work on the project
 - (2) A new certificate of coverage showing extension of coverage, prior to the end of the coverage period, if the coverage period shown on the current certificate of coverage ends during the duration of the project
 - (3) Retain all required certificates of coverage on file for the duration of the project and for one year thereafter
 - (4) Notify the governmental entity in writing by certified mail or personal delivery, within ten days after the person knew or should have known, of any change that materially affects the provision of coverage of any person providing services on the project
 - (5) Contractually required each person with whom it contracts to perform as required by items 1-7, with the certificates of coverage to be provided to the

person for whom they are providing services

42. By signing this contract or providing or causing to be provided a certificate of coverage, the contractor is representing to the district that all employees of the contractor who will provide services on the project will be covered by workers' compensation coverage for the duration of the project, that the coverage will be based on proper reporting of classification codes and payroll amounts, and that all coverage agreements will be filed with the appropriate insurance carrier or, in the case of a self-insured, with the commission's Division of Self-Insurance regulation. Providing false or misleading information may subject the contractor to administrative penalties, criminal penalties, civil penalties, or other civil actions.
43. The contractor's failure to comply with any of these provisions is a breach of contract by the contractor that entitled the governmental entity to declare the contract void if the contractor does not remedy the breach within ten days after receipt of notice of breach from the governmental entity.
44. Except as otherwise expressly provided, respondent shall defend, indemnify, and hold RISD harmless from and against all claims, liability, loss and expenses, including reasonable costs, collection expenses, and attorneys' fees incurred, which arise by reason of the acts or omissions of respondent, its agents or employees in the performance of its obligations under this contract. This clause shall survive termination of this contract.
45. Respondent shall not limit or exclude any implied warranties, and any attempt to do so shall render this solicitation document voidable at the option of RISD. Vendor warrants that the goods furnished will conform to the specifications, drawings, and descriptions listed in the proposal documents, and to the sample(s) furnished by vendor, if any. In the event of a conflict between the specifications, drawings, and descriptions, the specifications shall govern.
46. Respondent warrants that the product sold to RISD shall conform to the standards promulgated by the federal government including, but not limited to, the U.S. Department of Labor under the Occupational Safety and Health Act (OSHA) and the Consumer Product Safety Commission (CPSC). In the event the product does not conform to applicable safety standards, RISD may return the product for correction or replacements at the vendor's expense. In the event vendor fails to make the appropriate correction within a reasonable time (i.e., 2 weeks) correction may be made by RISD at vendor's expense.
47. Respondent agrees to ascertain whether goods manufactured in accordance with the specifications will give rise to the rightful claim of any third person by way of infringement or the like. If vendor is of the opinion that an infringement or the like will result, he/she will notify RISD to this effect in writing within two weeks after the signing of this a contract. If RISD does not receive notice and is subsequently held liable for the infringement or the like, vendor will indemnify RISD for any damages due to such claim. If vendor, in good faith, ascertains that production of the goods in accordance with the specifications will result in infringement or the like, this document shall be null and void. RISD may pay vendor for the

reasonable cost (as determined by RISD) of his/her search as to infringements.

48. Successful respondent shall assign to RISD any and all claims for overcharges associated with this contract which arise under the antitrust laws of the United States, 15 USCA, Section 1 et seq., and which arise under the antitrust laws of the State of Texas, Tex. Bus. & Com. Code, Section 15.01, et seq.
49. Respondents will provide their own tools/equipment required/expected of their craft/trade. The contractor is responsible for permits and fees required and compliance with all local, state, and federal rules, regulations, and statutes. The job site shall be in a clean, safe and orderly condition at all times. It shall be the contractor's responsibility to remove all debris, materials, and equipment from the job site upon completion of the work specified.
50. This writing is intended by the parties as a final expression of their agreement and is intended also as a complete and exclusive statement of the terms thereof. No course of prior dealings between the parties and no usage of the trade shall be relevant to supplement or explain any term used herein, and acceptance of a course of performance rendered under any award shall not be relevant to determine the meaning of this solicitation document even though the accepting party has knowledge of the performance and opportunity for objection.
51. First, the laws of the State of Texas shall govern this document and its resulting contract. Venue for any disputes arising thereunder shall be in Rockwall County, Texas. Secondly, the laws of the Uniform Commercial Code (UCC) as adopted in the State of Texas and in force on the date of this solicitation shall govern.
52. Use or possession of weapons on school property is strictly prohibited. All District property and facilities are considered a "drug free zone". No one may use, consume, carry, transport or exchange alcohol beverages, tobacco, cigarettes, electronic cigarettes, controlled substances and/ or illegal drugs while in a school district building or while on school district property. The vendor, its company, and its employees shall adhere to this policy.
53. For the safety of students, all vendor personnel will sign visitor log in the office at the campus. An identification badge will be worn as required by the campus administrator. Vendor personnel are expected to maintain proper dress and exhibit a vendor badge or wear vendor issued shirts displaying the vendor logo. All contractors must also be in a uniform that identifies them at all times.
54. All vendor personnel are required to stay within the designated installation areas and may only enter a teacher's classroom when accompanied by District personnel.
55. At the time of offer submission, the person or entity submitting an offer must give notice to the district if the person or an owner or operator of the business entity has been convicted of a felony. The notice must include a general description of the conduct resulting in this conviction of a

felony. The District may terminate a contract with a person or business if the District determines that the person or business failed to give such notice or misrepresented the conduct resulting in the conviction. This requirement does not apply to a publicly held corporation.

56. Texas Education Code Chapter 22 requires service contractors to obtain criminal history record information regarding covered employees and to certify to the District that they have done so. Covered employees with disqualifying convictions are prohibited from serving at a school district. Covered employees are all employees of a contractor who have or will have continuing duties related to the service to be performed at the District and have or will have direct contact with students. The District will be the final arbiter of what constitutes direct contact with students.
57. Vendors (owners, officers, employees, volunteers, etc.) may not work on District property where students may or may not be present when they have charges pending, have been convicted, received probation or deferred adjudication for the following:
- Any offense against a child
 - Any sex offense
 - Any crimes against persons involving weapons or violence
 - Any felony offense involving controlled substances
 - Any felony offense against property
 - Any other offense the District believes might compromise the safety of students, staff, or property
58. Products and/or services procured under this agreement may be of a construction nature and will require certification that materials utilized and installed in conjunction with any project involving construction, be it new, renovation or contracted trade services, are free of asbestos and lead. A Toxic Control Affidavit, if required, must be completed and submitted prior to final payment being made.
59. Vendors who perform work inside the RISD facilities are hereby notified, however, that buildings may contain asbestos containing materials. This notification is required by both the State of Texas Department of State Health Services and the Federal EPA Asbestos regulations. These guidelines cover both RISD's responsibilities and the Employer's responsibility to their employees. As a Vendor it is your responsibility to check each building prior to performing any work in that facility. These building materials may include but are not limited to: ceiling tile, floor tile and mastic, sheetrock, tape and bed compound, thermal pipe insulation, spray-on ceiling material, calks, and roofing products. As there have been numerous asbestos containing products manufactured over the years, you must check each building's Asbestos Management Plan. This plan is normally kept in the main office. Check with the school secretary and she will allow you to look at it. It is the vendor's responsibility to notify all employees working for them that RISD facilities may contain asbestos and where their employees may find the facility's Asbestos Management Plan. Again, it is the Vendor's responsibility to check the Asbestos Management Plan for each facility prior to working in the facility and then to notify their employees performing the actual work. The information is found in section eight (8) for all asbestos that are remaining in the building.

60. Effective January 1, 2006 and pursuant to Texas H.B. No. 914 and in accordance with Chapter 176 of the Texas Local Government Code, Section 176.006, any person or entity who contracts or seeks to contract with RISD for the sale or purchase of property, goods, or services (as well as agents of such persons, hereafter referred to as Vendors) are required to file, on an annual basis, a Conflict of Interest Questionnaire with the District. Each covered person or entity who seeks to or who contracts with RISD is responsible for complying with any applicable disclosure requirements. RISD will post the completed questionnaires on its website. Information regarding H.B. No. 914 may be obtained from the Texas Ethics Commission's website at <http://www.ethics.state.tx.us>.
61. In 2015, the Texas Legislature adopted House Bill 1295, which added section 2252.908 of the Government Code. The laws states that a governmental entity or state agency may not enter into certain contracts with a business entity unless the business entity submits a disclosure of interested parties (Form 1295) to the governmental entity or state agency at the time the business entity submits the signed contract to the governmental entity or state agency. The business entity is responsible for first electronically filing Form 1295 with the Ethics Commission. This filing process creates a certification of filing and a completed Form 1295 must be printed, signed by an authorized agent of the business entity and submitted to the school district. Upon award, the vendor will be reminded of this requirement.
62. Effective January 2020, the requirements of Subchapter J, Chapter 552, Government Code, may apply to this solicitation and the contractor or vendor agrees that the contract can be terminated if the contractor or vendor knowingly or intentionally fails to comply with a requirement of this subchapter.

INTER-LOCAL AGREEMENTS WITH OTHER SCHOOL DISTRICTS

Rockwall ISD is a member of the Central Texas Purchasing Alliance (CTPA) and the Education Purchasing Cooperative of North Texas (EPCNT), each serving as an alliance of over 100 school districts in Texas representing millions of students, sharing information, services and contractual opportunities. A list of member districts can be found on the RISD Purchasing webpage.

In support of this collaborative effort, all awards made by Rockwall ISD may be adopted by other active member districts in either (or both) of the identified entities. By adopting a contract from another member district, the adopting district has met the competitive bidding requirements established by the Texas Education Code, Section 44.031 (a)(4). While there is no obligation to participate, doing so will streamline the public purchasing process and cut costs to the public. It will also keep vendors from having to answer multiple bids for many school districts for the same product(s) or services, thereby saving the vendors resources.

All purchases by members and participants other than Rockwall ISD will be billed directly to that entity and paid by that entity. Rockwall ISD will not be responsible for another entity's debts. Each governmental entity will order its own materials/services as necessary and according their policies.
